

## **DINING OUTSIDE GUIDELINES**

(Based on the State of Vermont's May 22, 2020 restrictions and guidelines for restaurants)

- **Reservations or call ahead seating is required.**
- **Ordering via phone or electronic means is preferred. Order online thru our link then call and note your preferred time to dine outside. Please note, in the event of rain, your dinner will be packed for TO-GO and ready at your reservation time.**
- **Masks are required for your arrival and departure. Once you are seated, it is your choice. Please plan on entering through the main entrance, signing the state required log with your name and phone number and proceeding through to your outside numbered table where a server will assist you. Servers will wear masks and gloves.**
- **At IW Vermont, we will serve your pre-ordered food using the normal cycle of service - first course, main, dessert - once you're seated and drinks are delivered.**
- **Tables will be spaced a minimum of 10 feet apart. With all of our green lawn, decks and stone terraces, there is space to spread out.**
- **Members of only 2 households and 10 total people may be seated at the same table. We don't make the rules, but this will be required.**
- **We are limited to a maximum seating of 50 guests outside which is not a problem for us because of the wide-open space.**
- **We're eliminating our dinner menus as you'll pre-order. For drinks, the paper menus will be on the tables when you arrive. There will also be a bottle of hand sanitizer.**

- At IW Vermont, we will serve your pre-ordered food to the table on single use eco-friendly plates made of fallen leaves that have been gathered, cleaned and pressed. The US-made plates are natural, compostable, biodegradable with no binders or chemicals. The plates won't bend or buckle with the weight of the food and are FDA approved. The silverware will come pre-sealed with a thick folded paper napkin.
- We plan to be touchless/cashless within a few weeks. Until then, your card will be sanitized when it's returned to the table.
- Bathrooms will be available in the lobby. Please wear your mask at all times when walking back and forth to the bathroom.
